

Backdoor Friends Purebred Cat Rescue strives to find homeless purebreds loving homes, initially in foster care. Cats are tested for FIV/FelV, vaccinated and spayed/neutered (if age permitted). Our adoption process places cats and kittens into caring, permanent homes where their personalities have been matched with prospective adoptive families.

We have received many memory donations from our previous adopters letting us know cats they adopted from us have gone over the Rainbow Bridge. I always smile when I read these notes knowing that cat was well loved and enjoyed a comfortable kitty life.

Another form of memory donations come from BDF supporters who include our rescue in their wills. We respond to each donation with a thank you and
